

Order confirmation process via thyssenkrupp rothe erde SRM system (Jaggaer)

This process describes how suppliers confirm received purchase orders via thyssenkrupp rothe erde SRM System (Jaggaer).

1. As soon as you receive a new order from us, you will receive an email alerting you about the new order. The email contains two links. The first link will take you to the login page, the second link will take you directly to the new order.

2. You can navigate to the order via the dashboard or you can use the link in the email to go directly to the new order. You can find the overview of all orders in your dashboard as well as from the menu.

From your dashboard:

The screenshot shows the 'Supplier Portal Dashboard' with a navigation bar containing 'Overview' and 'New tab'. Below the navigation bar are three sections: 'RFQS', 'ACTIONS' (with the message 'There is no data to be shown.'), and 'DOCUMENTS' (with the message 'Nothing found.'). At the bottom, a blue-bordered box highlights the 'ORDERS/CONTRACTS' link.

From your menu:

The screenshot shows a navigation menu with a home icon, a database icon, a document icon, and a help icon. The 'Supplier Portal Dashboard' is selected. The 'SCM' section is expanded, showing a folder icon for 'Purchase Orders/Contracts' which is highlighted with a blue border. This folder contains two sub-items: 'Order/Contract List' and 'Position List'.

3. Click on the folder icon to open the details of the order.

The screenshot shows the 'Received orders' page. It includes a filter bar with 'Fast View', 'All View', 'Not Confirmed View', and 'Not Complete Confirmed View'. Below is a 'Templates' section with a dropdown menu, 'Open Template', 'Delete template', and 'Transfer template(s)' buttons. The main table is titled 'Head level - Orders not confirmed' and has the following columns: Customer, Order number, Created (ERP), Created, Last modified, Confirmation, Changes, Files, Advisor, Attachment, Menu, Factura date, Department, Open, Order value, and Delivery complete. The first row of data is: thyssenkrupp, 4500003735, 2021-06-19, 2021-06-19 11:16, [confirmation status], 0, 1, de Lange, Dagmar, [attachment icon], [menu icon], [factura date], [department], [open status], 750,00, [delivery complete status].

4. The order will open in a new window. Marked in blue you will find the order printout. The printout must be open for you to insert your order confirmation.

Only this pdf file contains the complete terms and conditions of the contract and is the basis of the supply relationship.
