Information We Collect

We collect information about you in a variety of ways depending on how you interact with us and our website, mobile applications , and services, including:

- Directly from you when you provide it to us, such as when you request a quote, register for an account, sign up to receive communications from us, place an order/make a purchase, or contact us by phone, email, or otherwise.
- Automatically through the use of cookies, server logs, and other similar technologies when you interact with our website, mobile applications, advertisements, and emails.
- From other sources, including, for example, our affiliates, business partners, online social media networks, financial institutions (e.g., your bank or credit card company), service providers, marketing partners, marketing or advertising networks, other third parties, and publicly available sources.

The following provides examples of the type of information that we collect in a variety of contexts and how we use that information.

Context		Types of Information	Primary Purpose for Collection and Use of Information
Account Registration		When you create an account, we collect your name, contact information, and any information that you provide through the customer package. This may include W-9, tax forms, bank account number, credit	We collect this information to provide services and account-related functionalities to our users. Accounts can be used for easy checkout and to save your preferences and transaction history.

		<p>card number, debit card number and other financial information.</p> <p>We also collect information relating to the actions that you perform while logged into your account.</p>	
Client/Customer Information		We collect the name and contact information, such as postal, billing, shipping, and email address and/or telephone number, of our clients and their employees with whom we may interact.	We collect this information to contact our clients/customers and communicate with them concerning normal business administration, such as our services, and billing.
Vendor Information		We may collect information about the employees of companies with whom we do business, including name, email address, and mailing address.	We collect this information to contact our vendors and their employees to communicate with them concerning normal business administration, such as orders, services, and billing, and to otherwise provide our services to our customers.
Cookies and First-Party Tracking		We use cookies and clear GIFs. “Cookies” are small pieces of information that a website sends to a computer’s hard drive while a website is viewed. These first-party cookies may enable us to collect analytics data and remember user settings on our website.	We use cookies to ensure that our websites operate efficiently, to provide you with more customized offers and information, to customize our websites to match your personal preferences, to improve our service offerings, and to prevent fraud. Where required by law, we base the use of technologies upon consent.
Cookies and Third-Party Tracking		We may place tracking technology on our website that collects analytics, records how you interact with our website, or allows us to participate in behavior-based advertising. This means that a third party uses technology (e.g., a cookie) to collect information about your use of our website so that they can report analytics to us or provide advertising about services tailored to your interests. That third party might also collect information over time and	We collect this information to analyze how our websites are being accessed and used, to improve user experience and the overall quality of our websites, and to customize advertising and content. Please see the Your Choices section below for information on how to disable targeted advertising. Where required by law, we base the use of technologies upon consent.

		across different websites in order to serve advertisements on our website or other websites.	
Demographic Information		We may collect personal information, such as your age or gender.	We may collect this information to understand our users and provide tailored services.
Location Information		When you use one of our mobile applications, your device may provide us with your location from your IP address, WiFi, GPS, and/or other cellular technology.	We may collect this information to understand our users and provide personalized location-based services and content, including for marketing purposes.
Email Interconnectivity		If you receive email from us, we use certain tools to capture data related to when you open our message, click on any links or banners it contains, and make purchases.	We collect this information to understand how you interact with our communications to you.
Inquiries, Comments, Feedback, and Support		If you provide us feedback or contact us for support or with inquiries regarding an order, we will collect your name and email address, as well as any other content that you send to us, in order to reply.	We collect this information to respond to or follow up on your comments, inquiries, and other requests.
Mailing List		When you sign up for one of our mailing lists we collect your email address or postal address.	We collect this information to share material about our services or other special offers that may be of interest to you.
Mobile Devices		We collect information from your mobile device, such as unique identifying information broadcast from your device when visiting our website or when using one of our mobile applications. This may include information about your use of our mobile applications, such as the amount of time you spend on the application and the actions you take while using the app. It may also include your Media Access Control (“MAC”) address, device manufacturer and model, device identifier, screen resolution, and the type and	We collect this information to identify unique visitors and understand how users interact with us on their mobile devices.

		version of your operating system and browser.	
Partner Promotion		We may collect information that you provide as part of a co-branded promotion with another company.	We may collect this information to fulfill our promotions.
Public Health and Safety		In certain situations where a serious public health threat has been identified, we may collect information from customers, guests, and other individuals accessing our facilities. This may include medical and health information, such as body temperature, symptoms, and underlying health conditions.	We collect this information to protect the health and safety of our customers and visitors. In some jurisdictions, we may be required by law, regulation, or governmental order to collect and retain information related to issues of public health and safety.
Surveys		When you participate in a survey, we collect information that you provide through the survey. If the survey is provided by a third-party service provider, the third party's privacy policy applies to the collection, use, and disclosure of your information.	We collect this information to understand your opinions and collect information relevant to our organization.
Sweepstakes or Contests		When you participate in a sweepstakes or contest, we collect information about you which includes contact information to notify you if you are selected.	We may collect this information to operate the sweepstakes. In some contexts, we are also required by law to collect information about those who enter into our sweepstakes.
Website Interactions		We use technology to monitor how you interact with our website. This may include which links you click on or information that you type into our online forms. This may also include information about your device or browser.	We collect this information to understand how you interact with our website, to better improve it, and to understand your preferences and interests in order to select offerings that you might find most useful. We also collect this information to detect and prevent fraud.
Web Logs		We collect information, including your browser type, operating system, Internet Protocol (IP) address (a number that is automatically assigned to a computer when the internet is used), domain name, click-activity, referring	We collect this information to monitor our networks and the visitors to our website. Among other things, it helps us understand which of our services is the most popular and assess the impact of our marketing and advertising campaigns.

		website, and/or a date/time stamp for your visit.	
--	--	---	--

How We Use Information.

In addition to the purposes and uses described above, we use information in the following ways:

- To identify you, or otherwise verify your identity, when you visit our website and/or to maintain your account.
- To provide our services, for example by confirming your order, billing, and shipping information, processing your payments or refunds, delivering your services, and communicating with you regarding your order.
- To develop new services.
- To make payments for services provided by you.
- To improve our service offerings, including by learning more about your preferences to help personalize your experience with us.
- To conduct research and analytics, such as analyzing trends and statistics in connection with our businesses, including measuring the success of marketing campaigns and compiling statistics about usage and response rates.
- To communicate with you, such as to respond to and/or follow-up on your requests, inquiries, issues, or feedback or to send you information regarding our website, changes to our terms, conditions, or policies, or other administrative matters.
- To send marketing and promotional materials, including information relating to our, services, sales, contests, sweepstakes, or promotions, or those of our business partners.
- To administer and fulfill our contests, sweepstakes, and other promotions.
- To detect and protect against malicious, deceptive, fraudulent, or illegal activity, including violation of our policies and terms and conditions, security incidents, and harm to the rights, property, or safety of our company and our users, employees, or others.
- To debug, identify, and repair errors that impair existing intended functionality of our website and/or mobile applications and ensure they operate properly and efficiently.
- To comply with our legal or regulatory obligations, to establish or exercise our rights, and to defend against a legal claim.
- For internal administrative purposes, as well as to manage our relationships.
- For such other purposes as you may consent (from time to time).

Although the sections above describe our primary purpose in collecting your information, in many situations we have more than one purpose.

To the extent we maintain and use personal information in a deidentified form, we will not attempt to reidentify the information, except for the purpose of determining whether our deidentification processes satisfy our legal obligations or to assist in the technical functions of our website.

How We Share Information

In addition to the specific situations discussed elsewhere in this Privacy Policy, we may disclose personal information in the following situations:

- **Affiliates and Acquisitions.** We may share information with our corporate affiliates (e.g., parent company, sister companies, subsidiaries, joint ventures, or other companies under common control). If another company acquires, or plans to acquire, our company, our business, or our assets, or merges or plans to merge with our company, we will also share information with that company, including at the negotiation stage. Your information may also be disclosed in the event of any reorganization, joint venture, assignment, transfer, or other disposition of all or any portion of our business, assets, or stock (including in connection with any bankruptcy or similar proceeding).
- **Other Disclosures without Your Consent.** We may disclose information in response to subpoenas, warrants, or court orders, or in connection with any legal process, or to comply with relevant laws. We may also share your information in order to establish or exercise our rights, to defend against a legal claim, to investigate, prevent, or take action regarding possible illegal activities, suspected fraud, safety of person or property, or a violation of our policies, or to comply with your request for the provision of services by a third-party intermediary.
- **Partner Promotion.** We may offer contests, sweepstakes, or other promotions with third-party partners. If you decide to enter a contest, sweepstakes, or promotion that is sponsored by a third-party partner, the information that you provide, as well as other information (such as your device’s physical location combined with information about what advertisements you viewed), will be shared with us and with them. Their use of your information is not governed by this privacy policy.
- **Service Providers.** We may share your information with service providers. Among other things, service providers may help us to administer and host our website, store data, analyze data, conduct surveys, provide technical support and customer service, provide IT infrastructure, provide email delivery and administration, process payments, assist in the fulfillment of orders, and provide auditing or similar services.
- **Third-Party Advertising Companies.** We may place tracking technology on our website that collects analytics, records how you interact with our website, or allows us to participate in behavior-based advertising. These advertising companies may use information about your visit to our website to provide advertisements about goods and services that may be of interest to you and may place cookies or similar technologies on your browser.
- **Other Disclosures with Your Consent.** We may disclose your information to other third parties when we have your consent or direction to do so.

Your Choices

Some jurisdictions give you a right to make the following choices regarding your personal information:

- **Access to Your Personal Information.** You may request access to your personal information or confirmation that we have and process information about you. In certain limited circumstances, you may also request to receive access to your data in a portable, machine-readable format.
- **Changes to Your Personal Information.** Some of our applications allow you to modify your account profile. If our applications do not permit you to update or correct certain information, you can contact us at the address described below in order to request that your information be modified. You may ask us to correct information that is inaccurate or incomplete. Note that we may keep historical information in our backup files as permitted by law.
- **Deletion of Your Personal Information.** You may request that we delete your personal information. If required by law, we will grant a request to delete information, but you should note that in many situations we must keep your personal information to comply with our legal obligations, resolve disputes, enforce our agreements, or for another business purposes.
- **Opt-out of Targeted Advertising.** Although we do not “sell” your personal information for money, we may use some of your personal information for advertising performance analysis, use your information for audience modeling for ongoing advertising, disclose your information to data brokers, and/or participate in data co-ops, which may constitute a “sale” under certain privacy laws. You may opt out of online tracking-based targeted advertising (e.g., cookies) by clicking on the cookie icon or the “Cookie

Preferences” text link in the footer of our website and switching the Targeted Advertising toggle to the left, turning it from green to gray. Please note that if you change browsers or computers, or if you clear your browser’s cache, you may need to click the link again to apply your preference. You may also opt out of other forms of targeted advertising by submitting a request via that link.

- **Objection to Certain Processing.** You may object to our use or disclosure of your personal information by contacting us at the address described below.
- **Online Tracking.** We do not currently recognize the “Do Not Track” signal.
- **Promotional Emails.** You may choose to provide us with your email address for the purpose of allowing us to send free newsletters, surveys, offers, and other promotional materials to you, as well as targeted offers from third parties. You can stop receiving promotional emails by following the unsubscribe instructions in emails that you receive. If you decide not to receive promotional emails, we may still send you service-related communications.
- **Promotional Text Messages.** If you receive a text message from us that contains promotional information, you can opt-out of receiving future text messages by replying “STOP.”
- **Revocation of Consent.** Where we process your personal information based upon consent, you may revoke consent. If you revoke your consent for the processing of personal information, then we may no longer be able to provide you services.

Please note that not all of the rights described above are absolute, and they do not apply in all circumstances. In some cases, we may limit or deny your request because the law permits or requires us to do so, or if we are unable to adequately verify your identity. We will not discriminate against individuals who exercise their privacy rights under applicable law.

Submitting Requests

You may exercise the rights described above through our online portal at the following link: <https://my.datasubject.com/169IXrSOAfarm3WY5/68110> or by contacting us as indicated in the **Contact Information** section below.

Note that, as required by law, we will require you to prove your identity. Following a request, we will use reasonable efforts to supply, correct, or delete personal information about you in our files.

In some circumstances, you may designate an authorized agent to submit requests to exercise certain privacy rights on your behalf. If you are an authorized agent submitting a request on behalf of an individual, you must attach a copy of written permission indicating that you are able to act on another person’s behalf.

How We Protect And Retain Information

No method of transmission over the internet, or method of electronic storage, is fully secure. Additionally, we maintain internal governance policies designed to protect your information, including policies that address information privacy and security. While we use reasonable efforts to protect your personal information from unauthorized access, use, or disclosure, we cannot guarantee the security of your personal information. In the event that we are required by law to inform you of a breach to your personal information, we may notify you electronically, in writing, or by telephone, if permitted to do so by law.

Some of our applications may permit you to create an account. If one of these applications requires creation of a password, you will be prompted to create a password. You are responsible for maintaining the confidentiality of your password, and you are responsible for any access to or use of your account by someone else that has obtained your password, whether or not such access or use has been authorized by you. You should notify us of any unauthorized use of your password or account.

We retain your personal information for only as long as necessary to fulfill the purposes outlined in this Privacy Policy, including for the purposes of satisfying any legal, accounting, or reporting requirements, unless a longer retention period is required or permitted by law. To determine the appropriate retention period for personal information, we consider the amount, nature, and sensitivity of the information, the potential risk of harm from unauthorized use or disclosure of the information, the purposes for which we obtained the information and whether we can achieve those purposes through other means, as well as applicable legal requirements.

Transmission Of Information To Other Countries, States, And Provinces

As a multi-national company, we transmit information between and among our affiliates. As a result, your information may be transferred to and processed in a foreign country, state, or province, including transfers of information out of Quebec.

Third-Party Applications/Websites

For your convenience, we may provide links to, or otherwise make available through our website or applications, other websites, other applications, and third-party content or services that we do not own or operate. The websites and third-party content to which we link may have separate privacy notices or policies. Please note that we have no control over the privacy practices, websites, or services that we do not own. We encourage you to review the privacy policies of any third-party website or application for details about such third party's privacy practices.

Changes To This Privacy Policy

We may change our privacy policy and practices over time. To the extent that our policy changes in a material way, the policy that was in place at the time that you submitted personal information to us will generally govern that information unless we receive your consent to the new privacy policy. Our privacy policy includes an "effective" and "last updated" date. The effective date refers to the date that the current version took effect. The last updated date refers to the date that the current version was last substantively modified.

Contact Information

If you have any questions, comments, or complaints concerning our privacy practices, or if you need to access this Privacy Policy in an alternative format due to having a disability, please contact our representative using the information below. We will attempt to respond to your requests and to provide you with additional privacy-related information.

The person accountable for, and in charge of, the protection of personal information is Dezarea Wright, who can be reached at the following phone number: +1 (586) 918-5677 and e-mail address: dez.wright@thyssenkrupp-materials.com

Effective Date: April 10, 2026

Last Update: April 10, 2026 (Ver. 1)
